

Waitaki District Council
Corriedale Ward
Electing 2 Councillors

Guy PERCIVAL

Independent

My principal place of residence is in the Corriedale Ward area.

I have lived in North Otago for the last 22 years, although my association goes back to the late 1960's when I mustered on the stations in the Waitaki Valley.

I have lived and worked in several countries: Britain, USA, Africa, and Papua New Guinea.

I have established and successfully run businesses over the years in New Zealand and Africa.

Experience to name a few includes business owner, ranch/farm manage, agricultural contractor, professional hunter, executive with Zimbabwe Tourist Board, para trooper Rhodesian army.

My whole life has been based around rural and agricultural interests and the communities that live within.
