

Waitaki District Council  
Corriedale Ward  
Electing 2 Councillors

---

---

**John MCCONE**

My principal place of residence is in the Corriedale Ward area.

I have lived in North Otago all my life and am married to Linda with two adult children. I attended Duntroon Primary School and then Waitaki Boys High School. Other than a brief stint at Lincoln College I have been involved in most aspects of farming over the years including my own farming operation in the Tokarahi area, which we have recently sold. Community involvement has also been a large part of living in this area including participation in and serving on the administration side of the tennis, badminton, rugby, golf, rifle shooting and dog trial clubs, Young farmers, Federated farmers, The Tokarahi Rural Water Scheme (including chairman for the last 19 years) and a director of Corriedale Water. It is important that the rural voice be heard as rural concerns seem to be in many cases misunderstood by local and central government legislation.
