

Waitaki District Council
Mayoralty
Electing 1 Mayor

Gary KIRCHER

Working For Waitaki

My principal place of residence is in the Waitaki District Council area.

We must rise to the challenges before us. New Zealand faces significant issues. Equally, the challenges for Councils everywhere are greater than ever before - numerous reforms from central

government and a changing global environment mean that experience, engagement, good decision-making, and advocacy at the highest levels are important.

This is why I seek your support to be re-elected as Mayor for Waitaki. It is important that all of our district keeps progressing and Council must play its part. It has been a privilege to represent Waitaki and you, our ratepayers. I work hard to be approachable, to engage with people, to listen and to be transparent. More than ever, we need stability, hard work and inclusive leadership. People trust me to get on with the job and to make smart decisions on their behalf. That is what I promise to continue doing. Please vote Gary Kircher for Mayor. Thank you.
