

Waitaki District Council
Mayoralty
Electing 1 Mayor

Paul John MUTCH

Independent

My principal place of residence is not in the Waitaki District Council area.

My mayoralty bid capitalises on many years of voluntarism, which includes chairing the Palmerston Agricultural Society, Field Days, Riding for Disabled, Worldwide Agriculture

Forum, and a working life encompassing infrastructure, earthworks and agriculture.

I will share practical workable solutions to create progressive innovations. This will build pride, and from pride flows the confidence that empowers wellbeing.

My mission is to generate commercial enterprise, through environmental frameworks that enables enjoyment of our very birth right: healthy homes, wholesome food, clean water, in a safe and confident community.

Key developments must include enhancing farmers' market infrastructure. Let's also capitalise on the best features of the medium density residential mandate, and create equitable opportunities that attract younger families into our population. This is also fundamental to establishing a dynamic healthcare plan.

We will succeed by building on the pillars of education, environment and enterprise.

Vote Paul John Mutch for Mayor.
