

Waitaki District Council  
Oamaru Ward  
Electing 6 Councillors

---

**Dan LEWIS**

My principal place of residence is in the Oamaru Ward area.

I was born in Oamaru, grew up in Kakanui, attended Maheno and Waitaki Boys' High Schools.

I'm a proud father of two amazing teenagers who are both at high school. I've been a broadcaster for 35 years, a registered electrician for 15 years, I'm a business owner and employer, former board member and Vice President of the Waitaki Chamber of Commerce, was President of Oamaru Operatic/Musical Theatre Oamaru and I'm a member of the Radio Broadcasters Association Council.

I have lived and worked in NZ and overseas, and value what we have here and our future potential.

Covid has changed the landscape, various reforms are coming, we face rising costs and an ageing population, and the way we do business is changing too.

What we do now matters. We need creative solutions to new challenges, and the vision to create a vibrant and sustainable Waitaki. Make your vote count.
