**Jeremy HOLDING**

My principal place of residence is in the Oamaru Ward area.

Cristy and I live in the Oamaru town ship with our 2 children, aged 9, and 12.

We established a family business in 2003 and still operate in the C.B.D. today.

I've had the privilege of serving North Otago as a Councillor, being first elected, in 2016.

Seeking re-election for a third term, I'm committed to being part of a team that's focused on delivering good results for our Communities.

Good results are achieved when, localism is at the forefront of decision making, in an environment, where constructive challenge is welcomed.

With your support I will endeavour to contribute to the vision of making Waitaki, The best Place to be, for now, and into the future.
