

Waitaki District Council
Oamaru Ward
Electing 6 Councillors

Kelli WILLIAMS

Independent

My principal place of residence is in the Oamaru Ward area.

I am seeking a second term as a councillor for the Oamaru Ward. Local business owner, real estate agent and mother of one, I have thoroughly enjoyed representing the people of Waitaki over the past term and I would like to put the experience gained to good use by continuing to advocate towards a fabulous future for the district I love to call home. I enjoy getting involved in community endeavors where I can, and currently I'm assisting with the resurrection of our RSA, and I'm a presenter for 45 South Television. In my past I served in the RNZAF as an Accounts Clerk and Helicopter Pilot, I have my NZ Diploma in Business Studies and I'm an owner of a heritage building. My life experience gives me a broad understanding of the wide range of complicated issues our council is facing now, and in the future.
