

Waitaki District Council
Oamaru Ward
Electing 6 Councillors

Scott ELLIFFE

Independent

My principal place of residence is in the Oamaru Ward area.

Near where I live is the first of the WW1 Memorial Oaks. A small stone cross marks the life of Private Robert McLaren and, as I walk by, I thank him for the life I now enjoy. To me, the

way we acknowledge our fallen heroes says a lot about Waitaki's strong community heart.

I stand for:

Economic development that attracts new and supports existing businesses.

Community initiatives that improve our wellbeing and make us proud to live here.

Low-Cost Housing schemes to both attract and retain residents. Unique Projects like the Sports Centre and Whitestone Geopark which add to our community soul.

I offer the fresh eyes, business skills and community empathy to help make Waitaki a better, more inclusive place for us all to work and live in.

The aim is to see Waitaki thrive through initiatives that uplift the community. Undeniably, we're the Best Place to Be!
