My principal place of residence is in the Waihemo Community Board area.

Thank you for considering me to be a member of the Waihemo Community Board. My husband, Johnny and I farm up the Pig Route. I've been here for 25 years. We have three children who are in their early 20's. Before taking up farming full time I was a Registered Nurse. I am a member of Rural Women and a life member of the Waihemo Collie Club. I am also a volunteer driver for Meals on Wheels.

One of my strengths is that I'm a good listener and have a practical and down to earth approach to most things in life. I would like to be given the opportunity to give the rural community a voice at the Community Board table.

Thank you for considering me and I would really appreciate your support.
