Welcome to the Mobility Parking Permit Scheme

**Please read the conditions of
membership and the
concession details carefully.**

**Refer any queries to your
nearest branch of CCS
Disability Action.**

**Please check with your local
authority as local standards
may vary.**

CONDITIONS OF MEMBERSHIP

Please read carefully

- The concessions available to you as a member of the Mobility Parking Scheme have been granted with the consent of the Ministry of Transport and local authorities – not by right of law. Your cooperation is essential to ensure that these concessions are not abused.
- Membership will be withdrawn if the permit is misused.
- Membership is not transferable.
- The permit must only be used by the Permit Holder and must be clearly displayed on the dashboard when the vehicle is parked.
- Mobility Parking Permits must be returned to your local CCS Branch at the date of expiry or if no longer required.

Concessions

P30 Zone – double time to 60 minutes

P60 Zone – double time to 120 minutes

Pay and Display, pay first hour and next hour is free.

Your permit allows you to park in designated Mobility Car Parks which are located in parking areas in all towns & cities in New Zealand. You may also display your permit to use the Mobility Car Parks which are usually conveniently located in the car parks of shopping malls, hospitals, supermarkets, hotels, etc.

Local Council bylaws are responsible for Mobility Parking in each area. These may vary slightly from Council to Council. We recommend you check with the Local Council if you move or have reason to frequently use the Mobility Parking facilities in an area other than where you normally reside.

No Concessions

There are no concessions for parking in a designated Mobility Car Park where time limits apply.

There are no concessions for parking in time limited zones under 30 minutes e.g. P15, P10, P5, P3, P2 etc.

There are no concessions for the time limited zones marked P120 or P180.

Please Note

Where parks are indicated “private” they are not enforceable by local authority parking staff nor are they covered by local authority concessions. Please check with management of car parks (e.g. supermarkets, shopping malls) if any problems occur.
