	<p>Hi Thank you for the opportunity to provide feedback on the Proposed District Plan before it goes out for public notification. My client Nicky Atkinson owns the 4ha site at 205 Awamoa Road shown in the image below. Her property is proposed to be located within the General Rural Zone and will adjoin the Rural Lifestyle zone. We are considering lodging consent to subdivide the property and consider the property and those immediately around it which have few rural values or character would be better suited as Rural Lifestyle. We respectfully suggest this enclave of existing residential properties would be better suited as Rural Lifestyle and encourage Council to apply the RL zoning to this land when publicly notifying your new plan. I have been advised to submit on the Plan on that basis and push to expand the RL zone to capture this cluster of existing sites. Cheers and kind regards Darryl Sycamore [cid:image001.png@01D8BBB4.40F783E0] Darryl Sycamore Resource Management Planner [REDACTED] [REDACTED]</p>
