Notes	Charles
Q1	Select the chapter you want to provide feedback on
	General Residential Zone
Q2	In general, to what extent do you support the contents of this chapter?
	Agree
Q3	Objective/Policy/Rule/Standard
	Zoning
Q4	Feedback/Comments
	I support the General Residential Zone and no overlays for Lake Ohau Village
Q5	Objective/Policy/Rule/Standard
	Introduction to the General Residential Zone
Q6	Feedback/Comments
	The last sentence on the Introduction to the General Residential Zone should include Lake Ohau Village.
Q7	Objective/Policy/Rule/Standard
	General Residential Zone - Restricted Discretionary Activities
Q8	Feedback/Comments
	I recommended the use of non-notification clauses (public and limited) throughout the plan for restricted discretionary activities that meet built form standards, e.g. multi-unit developments etc.
Q9	Objective/Policy/Rule/Standard
	Policy GRZ-P1
Q10	Feedback/Comments
	Policy GRZ-P1 – should refer to the 'anticipated' character of the zone rather than just maintaining the character and amenity of the zone. I suggest this approach across the plan otherwise you're just maintaining the status quo and not providing for activities and built form provided or under the plan.
Q11	Supporting documents?
Q12	If you need more space, or have other general comments, please leave them here
	In the General Residential Zone, I support the permitted status of minor residential units and the 80m2 size.
