Q4	Feedback/Comments	
	<p>I am reasonably well educated, have been in middle management in a multi national, have run my own business in this district for 18 years, now thankfully retired, however, my view is that phrases like "There is no hierarchy within or between any of the Strategic Directions" will mean nothing to the average person in Waitaki, or anyone else for that matter. I have attempted to read through this section, with some difficulty, but expecting meaningful feedback from the general population is a pipe dream. It is really not surprising that the fringes of our society pick out particular confusing areas, of which there are many, and create division within the community. I don't know how you can improve the page. Understandable language would be a good start!</p>
