	<p>Hello David</p> <p>It was good to meet with you in Omarama at the WDC District Planning consultation. We have considered the proposed district plan changes and would like to make the following points: * We always new that the whole area of the tussock face (running alongside and facing Lake Ohau) should be included in ONL. As you are possibly aware we have already sold this to DOC. * We can't understand why the whole flat running from Benmore Station along Table Hill (now mostly owned by DOC) should be in ONL. * We do agree with including the area indicated on the attached map (the dotted area in red) * We don't agree that any of Lot 4 should be in ONL. * We can see that the larger Benmore Range (to the east and south east of Ohau Downs) should be included in ONL also. * We would like remind you that Ohau Downs Station has already give up considerable portions of the farm in the past. When we saw you at the consultation meeting, you said that you would arrange to come out for an on-site meeting. We can discuss our points further at then. Look forward to seeing you then. Kind Regards Kees and Kathryn Ohau Downs Station – Five Rivers Limited 407 Lake Ohau Road PO Box 205 Omarama 9412 Kees [REDACTED]</p>
