Q4	Feedback/Comments
	If a property faces south on to a street, it may not be desirable to have a habitable room facing the street on the ground floor. This is more likely to be used for storage and bathrooms so habitable rooms can face north towards the sun.
Q5	Objective/Policy/Rule/Standard
	GRX-S9
Q6	Feedback/Comments
	Many dogs will be able to jump fences that are restricted to 1.2 m. Also if a residential property is lower than the street or a neighbor and this is to be used for outdoor living space, this will impact of the right for an owner to have privacy and enjoyment of their property.
Q7	Objective/Policy/Rule/Standard
	GRZ- S10
Q8	Feedback/Comments
	This rule would prevent the parking of trailers on a residential site for more than 8 weeks a year? Some families may put well maintained car registrations on hold when not in use. What are 'natural products' that will not be able to be stored for more than 8 weeks? Is a rule around unsightliness better if this is what is trying to be controlled?
