Hello,

I have lobbied the WDC for 5 years now including putting submissions into this current Draft District plan to have 46a Bride Street, Moeraki and obviously adjoining neighbours to be rezoned from general rural to residential in Moeraki.

The land has never been used for pastoral use, there are services there, and Bride Street provides good access. Te Runanga o moeraki are very interested in buying 0.8245ha of our 1.6490ha as the land has a special significance to them as it was originally a half caste reserve for them.

Under the current plan this is not possible without resource consent with its significant costs.

Looking forward to your reply

Regards

Liz Thompson
