	<p>Limiting subdivision to 20 ha net site. Effectively removes the right for my mother to subdivide her section. If Mum's section was zoned for the proposed Rural Lifestyle Zone my mother would have the potential to subdivide. My parents have contributed to the wider Omarama and Waitaki District for the past sixty years. Dad was a foundation member on the committee for the Omarama Golf Club and Omarama Cemetery. Dad 'volunteered' his time serving as the Ahuriri Riding District member for the Waitaki District Council for many years. Both Mum and Dad have supported the Omarama Fire Brigade, Omarama Hall Committee, Omarama School, Plunket Society, First Response, Saleyards Committee, and Omarama Dog Trial Club to name just some over the time they have lived in the district. Now with this proposal, their hard work and generous donation of time and commitment to the community can not be realized. If the proposed zoning reduces the potential for future development of Mum's section. Waitaki District Council is not considering the contribution this family has provided to the Omarama Community and wider district. The success of this community sits on the shoulders of the contribution community members such as my parents have provided. Waitaki Council enjoys the benefit of this contribution, at no charge to the Waitaki District Council. In Equity to deprive Mum of something she has been working for all her married life to enjoy is not reasonable. In order to protect the legacy, my father created for his wife to enjoy I oppose the zone status change.</p>
