Waitaki District Health Services Limited

Draft Statement of Intent

Period from 1 July 2022 – 30 June 2023

1. Introduction

This Statement of Intent has been prepared in accordance with Section 64 of the Local Government Act 2002.

It outlines the activities and intentions of Waitaki District Health Services Limited (the Company) for the next three years and the objectives to which those activities will contribute. Performance targets and measures are specified, along with the Company's relevant policies relating to governance and other matters.

The Statement of Intent is reviewed annually by the Company in consultation with Waitaki District Council.

Where relevant, subsidiary / related entities of the Company, are highlighted.

Due to staffing and resource constraints, financials were unable to be compiled for inclusion.

It is expected that WDHSL will show a financial surplus for FY21/22, and an attendant increase in shareholder equity, resulting from the repatriation of Observatory Village loans, thereby resulting in a lift in shareholders equity as at 30 June 2022. As a result of using a portion of those repatriated funds to clear existing debt advances, WDHSL will need to seek cashflow support for its ongoing operations for FY22/23.

A separate presentation will be made to Council covering the ongoing financial management aspects of WDHSL.

The activities of Waitaki District Health Services Trust (WDHST) are also covered however this has no material effect on the content of this SOI as the Trust activities are currently in abeyance awaiting consideration of the place that the Trust holds going forwards.

2. The Company

2.1 Background

Waitaki District Health Services Limited was established in 1997 for the charitable purpose of providing health services to the community and is 100% owned by the Waitaki District Council. Under the provisions of the Local Government Act 2002, it is deemed to be a Council Controlled Organisation.

Council's primary objective for continued ownership and control is to ensure the healthcare needs and interests of the District are met through the delivery of our core purpose:

To champion, provide, and enable sustainable, trusted, quality health services for our community (the Waitaki District).

WDHST was established under a trust deed for the charitable purpose of providing health services within the Waitaki District of New Zealand. Its trustees are the directors of the Company. Discussions have been had regarding the dissolution of the Trust but at this stage it is felt that until the future pathway under the current health reforms is known, the Trust is best held as is for now; namely, extant but largely inactive.

The Company is currently required by the Office of the Auditor General to provide audited consolidated financial accounts including the Company, WDHST and Observatory Village Charitable Trust. That grouping adds cost, time and other pressures that do not appear beneficial to anyone. All parties involved, Council, WDHSL, WDHST, and Observatory Village do not believe that the entities should be grouped together as WDHSL has no legal ability to direct or control the activities of Observatory Village. A representation has been made by WDHSL, supported by the other parties, to the Auditor General to have that decision reconsidered. We are currently awaiting an outcome of that reconsideration. Accordingly, this SOI makes no provision for any matters relating to Observatory Village.
