The Mayor states

[Gary Kircher - Mayor for Waitaki](#)

[Glen Perham](#) As a member of the community who has caused a very significant cost to our community and ratepayers, perhaps you can add more than an emoji?

The information I request is a full disclosure of the "significant costs" that Glen Perham has caused the community and ratepayers.

We are unable to quantify the number of officer hours in dealing with this matter, contributing to the "significant costs", as officers do not record their time against individual matters. However, we can confirm that \$7,770.32 was spent on seeking external legal advice in dealing with the matter associated with Mr Perham and the issue of the Kapala vessel.

Yours sincerely,

Information Management Officer
