## **Subject: All Grants & Awards**

**Please provide a list of all Grants & Awards decided by Waitaki District Council in the past 12 months, including all decisions to make grants whether or not the recipient has actually received the money.**

The Grants and Awards Sub-committee (as it is named in this triennium) reported to the Council Activity Update on 20 June 2023 the awards that had been granted and to whom in the first six months of 2023. CAU events are held in public and livestreamed. You will find the livestream of the 20 June 2023 event on Council's YouTube page.

A direct link to the CAU agenda papers for 20 June 2023 is provided below. The Grants and Awards Sub-Committee Update on Grants Funding was agenda item 1.3 and the report commences on page 28 of the agenda.

We can confirm that all payments were made to the successful applicants.

The previous report from the Grants and Awards Committee (as it was named in the previous triennium) went to the full Council Meeting on 14 December 2021.

It provided details about the grants awarded for the period from 1 July 2020 to 30 November 2021. It was also part of the public agenda for that meeting.

A direct link to the agenda papers for the 14 December 2021 Council Meeting is provided below. The Grants and Awards Committee Report for Grants Approved from 1 July 2020 to 30 November 2021 commences on page 132 (agenda item 7.4).

We can confirm that all payments were made to the successful applicants.

No Grants and Awards report was created and included in any Council agenda papers during 2022.

This was partly due to a lack of capacity to produce the report in the first half of the year, and then a consequence of the transition from one Council committee structure to another following the Local Elections in October 2022.

Officers propose to include a report on the 2022 Grants and Awards funding rounds in the public agenda papers for the next Council Activity Update, which is scheduled to be held on 19 September 2023. You will be able to access the agenda papers for that event once they are published on the Meetings page of Council's website sometime during the week before that event date."
