Subject: Overseas WDC employees

Please find below in **blue** the response.

1. How many employees does the council have working remotely from overseas?
One staff member.
2. In each instance, please outline the salary grading for the employee and the location from which they are working.
Unfortunately, we are not legally able to disclose the details of the employee as there is a high chance this staff member may be identifiable given there is currently only one staff member who falls into this category.
3. For each employee that is working overseas, please give a reason why this has been granted and whether this was signed off by (according to council rules) human resources and their manager.
To accommodate personal circumstances and yes this arrangement was approved by the relevant managers using the appropriate HR processes.
4. Please highlight how long each employee has been working form overseas.
7 weeks.
