

# Producer Statement Construction (PS3)

## Soild Fuel Heating Device

### Information

The following must be completed by the person who installed the solid fuel heating appliance. This statement is required as the Council is unable to inspect all aspects of the installation. This producer statement will therefore be used to establish compliance with the requirements of the **Building Act 2004** and the **NZ Building Code 1992**, particularly in areas that are either inaccessible, or cannot be practically viewed.

### Installer

Name

Company

Phone Number

Email Address

NZHHA Number

Building Consent No

### Owner

Make and Model of Appliance

### New Zealand Building Code

Applicable NZBC Clauses

- B1 (Structure)
- B2 (Durability)
- C2 (Prevention of fire occurring)
- E2 (Weathertightness)
- F7 (Warning systems)

### Declaration

I have sighted the above building consent and I confirm that I have installed the above-mentioned solid fuel heating appliance in accordance with that building consent, the manufacturers specifications, **AS/NZS2918:2001** and the above Clauses of the **NZ Building Code 1992**. I understand that Waitaki District Council may rely on this statement to establish compliance with the **Building Act 2004**, the **Building Code 1992** and to issue a code compliance certificate.
