Q2	In general, to what extent do you support the contents of this chapter?	
	Oppose	
Q3	Objective/Policy/Rule/Standard reference:	
	Building and structures heights	
Q4	Feedback/Comments	
	I think the buiding height should not be increased. The area is desirable due to lovely views and ambience and increasing the density and building height should definitely not happen. There is plenty of out lying land for expansion or new rules.
