	<p>I own land in college road zoned B 3 Currently we run a home care child care in the 1911 renovated house with a unique rural atmosphere/outlook Our intention if Callowed under new zoning laws is to develop the 6600 sq mtr site off college which has a RC to subdivide off As a sole daycare easy access establishment for early age children to enjoy !! And develop a very unique day care facility over time to service 1 existing home care children And 2 and most importantly..mums and dads wishing to work in close proximity to their own childrens stop off pick /up point . Currently there is no allowance in the draft plan to allow for such service which I might add is desperately Needed But of which there is no chance to economically develop such an amazing space now Within the city limits sadly Please give the utmost consideration to view 1 college road as an existing home care facility and the unique and a once in a lifetime chance opportunity To allow us to create this Before we are forced to develop Dirty industrial right next to waitaki boys high Mike Pole Director .. Welfare Hokfings Ltd O.S. We own 25,000 sq mtrs of B 3 zoned lands between college and red castle Sent from my iPhone</p>
