	Regarding our property 71 Whitecliff Road Reidston 9492 Lot 13 DP1409. Lot 13A DP 1409, Lot 14 DP 1409, Lot CDP 1545, There is a large area on the plan marked as significant under the "Heritage and Cultural Value" I feel this is a ridiculously large area of good farmland. * I will be putting a centre pivot on the red zone therefore earthworks will be carried out. * Winter grazing on red zone There is too much good productive farmland incorporated in the red zone, it needs to be looked at and reduced by a substantial amount otherwise the farm will not be viable * Also there is an area we have planned for a building site, in the red zone. I hope you will take a serious look at this serious predicament I find myself in. Regards Lindsay Smith
