Q3	Objective/Policy/Rule/Standard reference:
	SNF 061 Browns Road Hill
Q4	Feedback/Comments
	The features of this area are already ruined with previous buildings and excavations, that are visible from the surrounding areas. Further development should not be unduly restricted or specific features should be identified for preservation, not the whole area. The maps used for the identification of this area were not up to date, as all current houses were not yet constructed.
