Hi Caitlin,

Thanks for your time in sending us our maps, I have sent though a separate email with map with the areas that if possible could be removed from the significance to maori and returned to general rural zone as per the rest of the property. Hopefully the lines added make sense, we accept that the awamoko creek will need to remain in this zoning but the small areas to the north west of our property make no sense. If you need any clarification please let us know.

Kind Regards,

Mark, Jayne, Val and Tony Strachan
