	Waitaki Distict General Bylaws 2018 page 12. Bees. 60, 61, 62,63, 64, 65 and 66. This is currently listed in the WDC general bylaws. I approached council to get a permit from the chief executive and was told by Tristan Hope that although this rule is in the bylaws it is not a permitted activity under the current district plan. If I wished to keep bees in an urban area I would need to apply for a resource consent. I was told that this issue was going to be addressed in the new district plan but I have been unable to find any reference of beekeeping being a "permitted activity" in the draft District Plan now available. Can this issue be addressed otherwise the current bylaw for bees will still be unworkable. Regards Nelson O'Brien
