

ARE YOUR KIDS PLANNING SOME

FUN IN THE OTEMATATA SUN

THIS LABOUR WEEKEND?

DID YOU KNOW THAT ALCOHOL WILL BE BANNED FROM SOME AREAS?

ALCOHOL BAN 21-24 OCT 2022

We've got a real focus on reduction of harm this summer so there'll be an alcohol ban for:

- ✘ Loch Laird top paddock
- ✘ some foreshore zones
- ✘ the entry road
- ✘ Otematata township

Let's keep our kids safe out there.

WHY ARE WE DOING THIS?

In past years, Loch Laird top paddock and the Otematata township have seen an environment where the risk of harm is just too great for our kids, with irresponsible behaviour, underage drinking in public, excess alcohol consumption and damage to property. Young people have died and been seriously injured.

This temporary liquor ban gives Police an extra tool, if needed, to help keep the camps and Otematata a place we all love to chill.

These measures have been put in place to keep everyone safe and still have a place to have fun! We want to keep the Waitaki Lakes a place for all ages to enjoy and retain those things we all treasure – summer fun, music, BBQ's and Kiwi-style camping for the whole family.

Please keep an eye on them. Know where they are and what they're up to.
