Parking in Ōamaru's CBD

HOW TO GUIDE

To park in Ōamaru, you will need a paywave enabled credit or debit card, pre-loaded app or digital wallet.

All paid parking is one zone, so you can park and pay at any machine.

There are 3 ways to pay, outlined in this information.

- Pay by Plate
- Touch n Go
- PayMyPark app

Our machines give you the flexibility to park anywhere in the CBD paid parking zone during your paid period. Pay once and move between different parks while you run multiple errands.

You do not need to display a parking coupon in your car, you can just pay and walk away.
