<tr><td>TEMP – Temporary Activities</td><td>TEMP-O1 Temporary Activities
Temporary activities contribute to the vibrancy of the district, and to the social, economic, and cultural wellbeing of people and communities.

TEMP-P1 Managing the Effects of Temporary Activities
Enable temporary activities, where their frequency and duration, and the bulk and location of temporary structures, are managed to ensure amenity values are maintained.</td><td>
<table>
<tr><td>TEMP-R6</td><td>Temporary Military Training Activity or Temporary Emergency Services Training Activities</td><td></td></tr>
<tr><td>All Zones</td><td>Activity Status: PER

Where:
1. The activity is limited to a period not exceeding 31 days.

And the activity complies with the following standards:
TEMP-S1 Location of Buildings
TEMP-S2 Site Restoration</td><td>Activity status when compliance is not achieved with R6.1: RDIS

Matters of discretion are restricted to:
TEMP-MD1

Activity status when compliance with standard(s) is not achieved: Refer to relevant standard(s).</td></tr>
</table>
Standards
<table>
<tr><td>TEMP-S1</td><td>Location of Buildings</td><td>Activity Status where compliance not achieved:</td></tr>
<tr><td></td><td>1. Any temporary building associated with the activity complies with the height, height in relation to boundary and setback standards of the zone or precinct in which it is located.</td><td>RDIS

Matters of discretion are restricted to:
a. Any adverse effects on adjoining properties from overshadowing, privacy, or loss of visual amenity.</td></tr>
<tr><td>TEMP-S2</td><td>Site Rehabilitation</td><td>Activity Status where compliance not achieved:</td></tr>
<tr><td></td><td>1. The site shall be rehabilitated to the condition it was in prior to the commencement of the temporary activity or erection of the temporary building, within 7 days of the completion of the temporary activity or removal of the temporary building.</td><td>RDIS

Matters of discretion are restricted to:
a. The extent to which temporary activities alter or disturb any site, including from earthworks.
b. The extent of remediation proposed.
c. Any adverse effects on amenity, landscape, cultural or indigenous biodiversity values.
d. Where any activity is located within a SASM, SASM-MD1 Activities in a SASM.</td></tr>
</table>
Matters of Discretion

TEMP-MD1 Temporary Activity Duration

a. The scale, intensity and character of the activity including attendance, structures, duration, frequency and hours of operation.
b. Any adverse effects, including traffic, noise, dust, odour, signs, light spill and glare, on the amenity values or character of the surrounding environment, taking into account its sensitivity.
c. Any adverse effects of traffic on the safe, effective and efficient functioning of any road.
d. Any cumulative effects of all activities, buildings, and signs on the site.
e. Any mitigation measures proposed.
f. Any effects of the activity on access to spaces that would otherwise be accessible to the public.
g. The need for a longer duration.
h. The contribution the temporary activity has to the vibrancy of the District and the physical, social, and cultural well-being of communities.
i. Where any activity is located within a SASM, SASM-MD1 Activities in a SASM.
</td></tr>

Chapter	Objectives / Policies	Rules / Standards / Matters of discretion or control
NOISE - Noise	NOISE-O1 Noise Noise is compatible with the purpose, and anticipated character and qualities of the receiving environment, and maintains the health and well-being of people and communities. NOISE-P1 Noise Effects Manage noise effects to maintain the character and amenity anticipated in the area in which the effects are received, taking into account the nature, frequency, duration and benefit to the community of the activity generating the noise.	**NOISE-R14** — **Temporary Military Training Activities – Weapons Firing and or/ use of Explosives** **All Zones** **Activity Status: PER** **Where:** 1. Notice is provided to the Council at least 5 working days prior to the commencement of the activity; and 2. The activity complies with the following minimum separation distances to the notional boundary of any building that contains a noise sensitive activity: a. 7.00am to 7.00pm: 500m; and b. 7.00pm to 7.00am: 1,250m; or 3. Where the minimum separation distances specified above cannot be met, then the activity shall comply with the following peak sound pressure level: a. 7.00am to 7.00pm: 95 dB L_{peak}, when measured at or within the notional boundary of a building containing a noise sensitive activity in a rural zone or at the site boundary of a building containing a noise sensitive activity in any other zone; and b. 7.00pm to 7.00am: 85 dB L_{peak}, when measured 1 m from the façade of a building containing a noise sensitive activity in any zone **Activity status when compliance is not achieved with R14.1 - R14.3: RDIS** **Matters of discretion are restricted to:** NOISE-MD1 Noise Effects **NOISE-R15** — **Temporary Military Training Activities – All Other Noise Sources not Listed in NOISE-R14** **All Zones** **Activity Status:** **Where:** 1. The activity complies with the following noise limits: a. 7.00am to 7.00pm: 55 dB $L_{Aeq\ (15\ min)}$, when measured at or within the notional boundary of a building containing a noise sensitive activity in a rural zone or at the site boundary of a building containing a noise sensitive activity in any other zone; and b. 7.00pm to 7.00am: 45 dB $L_{Aeq\ (15\ min)}$ and 75 dB L_{AFmax} when measured 1 m from the façade of a building containing a noise sensitive activity in any zone. **Activity status when compliance is not achieved with R15.1: RDIS** **Matters of discretion are restricted to:** NOISE-MD1 Noise Effects **Matters of Discretion** **NOISE-MD1 Noise Effects** a. The level, hours of operation, duration and characteristics of the noise. b. The location and nature of nearby activities and the adverse effects they may experience from the noise. c. The existing noise environment. d. Effects on amenity values and anticipated character of the receiving environment. e. Effects on health and well-being of people, including sleep disturbance. f. The effectiveness of any noise reduction measures. g. The extent to which alternative locations and methods have been considered to avoid, remedy, or mitigate any adverse effects recognising functional need, operational need, and any technical, and practical constraints. h. The benefits of the activity generating noise.

<table>
<tr><th>Chapter</th><th>Objectives /
Policies</th><th>Rules / Standards / Matters of discretion or control</th></tr>
<tr><td>GRUZ - General Rural Zone (as relating to aircraft movements)</td><td>GRUZ-P8 - Aircraft Movements, Airstrips and Helicopter Landing Areas
Enable aircraft and helicopter movements within the rural area when ancillary to primary production, conservation activity, biosecurity activity, temporary events, the provision and maintenance of infrastructure; or for personal, emergency, military and non-commercial recreational use. Manage the location and scale of airstrips and helicopter landing areas to maintain the anticipated character and amenity values of the receiving environment.

GRUZ-P9 - Aircraft Take-off/ Landing Approaches
Manage the location and height of any structure and vegetation in the vicinity of a Special Purpose Airport Zone to ensure the safety of aircraft take-off/ landing approaches and wider public safety.</td><td>
<table>
<tr><td>GRUZ-R15</td><td colspan="2">Aircraft and Helicopter Movements</td></tr>
<tr><td>GRUZ</td><td>Activity Status: PER

Where:
1. Associated with purposes ancillary to:
a. Agricultural Aviation Activities.
b. Personal transportation.
c. Emergency services and civil defence.
d. Non-commercial recreational purposes.
e. Conservation activity.
f. Biosecurity activity under the Biosecurity Act 1993.
g. Activities of the New Zealand Defence Force.
h. Commercial recreation within public conservation land undertaken in accordance with a concession held from the Department of Conservation.
i. Natural and physical resource monitoring required by statutory or regulatory instruments.
j. The provision and maintenance of infrastructure.
k. Temporary Events.
or
2. Any other purpose where no more than eight aircraft movements or eight helicopter movements per day are undertaken from the same location.</td><td>Activity status when compliance is not achieved with R15.1 or R15.2: DIS</td></tr>
</table>
<table>
<tr><td>GRUZ-R16</td><td colspan="2">Airstrips and Helicopter Landing Areas</td></tr>
<tr><td>GRUZ</td><td>Activity Status: PER

Where:
1. Airstrips shall be located a minimum distance of 2km from any residential zone boundary; and 1km from any notional boundary of any sensitive activity not located on the same site.
2. Helicopter landing areas shall be located a minimum distance of 500m from any notional boundary of any sensitive activity not located on the same site.
3. Airstrips and helicopter landing areas shall be located a minimum distance of 50m from any public road.
4. The airstrip or helicopter landing area is not used on a regular basis for commercial aviation activity.

GRUZ-R16.1-4 above do not apply to:
a. Airstrips and helicopter landing areas used for the purpose of agricultural aviation activities on the same site.
b. Airstrips and helicopter landing areas used for the purposes of a Temporary Event under TEMP-R2 or Temporary Military Training Activity or Temporary Emergency Services Training Activity under TEMP-R6.</td><td>Activity status when compliance is not achieved with R16.1 to R16.3: RDIS

Matters of discretion are restricted to:
a. GRUZ-MD1 Scale, Location and Design.
b. The extent to which the activity may result in conflict and/or reverse sensitivity effects with other activities occurring on adjacent rural land.

Activity status when compliance is not achieved with R16.4: DIS</td></tr>
</table>
Matters of Discretion

GRUZ-MD1 Scale, Location and Design

a. The suitability of the location, design and layout.
b. The use, intensity and scale of the activity on the site.
c. The impact on highly productive land.
d. The extent to which the use and built form is compatible with the rural character and amenity values of the surrounding environment.
e. The safe and efficient operation of the road network, and suitability of onsite loading, manoeuvring and access.
f. The provision of infrastructure to service the activity.
g. The adequacy of any mitigation measures.
h. Any functional need or operational need for the activity to locate within the General Rural Zone.</td></tr>
</table>

<tr><th>Chapter</th><th>Objectives /
Policies</th><th>Rules / Standards / Matters of discretion or control</th></tr>
<tr><td colspan="3">Te Tai o Poutini Plan (Combined plan for Buller, Grey and Westland Districts)</td></tr>
<tr><td>TEMP – Temporary Activities</td><td>TEMP - O1 To provide for temporary activities where they contribute to social, economic and cultural wellbeing of Te Tai o Poutini/the West Coast while minimising adverse effects.

TEMP - P2 Enable temporary military training and emergency management training activities while ensuring that adverse effects on amenity values, safety and the environment are minimised.</td><td>
TEMP - R1 Temporary and Military Training Activities and Emergency Management Training
Activity Status Permitted
Where:
1. These are for a maximum of 31 consecutive days per year (excluding set up and pack down activities);
2. No permanent structures are erected unless they are lawfully established in accordance with relevant zone and overlay chapter rules in this Plan;
3. There is no outdoor artificial light during the tāiko/Westland petrel breeding season, from 1 November to 15 January;
4. No earthworks are undertaken except where they are in accordance with relevant Earthworks and overlay chapter rules (or resource consent is obtained for the earthworks); and
5. These do not occur on a Site or Area of Significance to Māori identified in Schedule Three or Significant Natural Area identified in Schedule Four.
Activity status where compliance not achieved: Controlled

TEMP - R7 Temporary Military Training Activities and Emergency Services Training not meeting Permitted Activity Standards
Activity Status: Controlled

Matters of Control are:
a. Visual amenity of neighbouring properties and public places;
b. Adverse effects on significant habitats of indigenous fauna within Significant Natural Areas identified in Schedule Four, taking into account the duration, hours of operation and frequency of the activity;
c. Effects on Poutini Ngāi Tahu values;
d. Location and design; and
e. Traffic safety.
Activity status where compliance not achieved: N/A
</td></tr>
<tr><td>NOISE - Noise</td><td>NOISE - P1
Enable the generation of noise of a type, character, scale and level that is appropriate to the zone, having regard to:
a. The purpose, character and qualities of the zone that the activity is located in;
b. The nature, frequency and duration of the noise generating activity;
c. Whether the noise generating activity is regionally significant infrastructure;
d. Methods of mitigation;
e. The sensitivity of the surrounding environment;
f. The functional need or operational need of the activity; and
g. Benefits from the work being undertaken and energy activities and infrastructure developed.

NOISE - P4
Ensure noise effects generated by an activity are of a type, scale and level that are appropriate for the predominant role, function and character of the receiving environment and protect the health and wellbeing of people and communities by having regard to:
a. Maximum noise limits to reflect the character and amenity of each zone;
b. Type, scale and location of the activity in relation to any sensitive activities;
c. Hours of operation and duration of activity;</td><td>
NOISE - R4 Emission of Noise for Temporary Military Training Activities
Activity Status Permitted
Where the following noise standards are complied with:
1. Weapons firing and/or the use of explosives:
i. Notice is provided to the Council at least five working days prior to the commencement of the activity;
ii. The activity complies with the following minimum separation distances to the notional boundary of any building housing a sensitive activity:
a. 7am to 7pm: 500m;
b. 7pm to 7am: 1250m
iii. Where the minimum separation distances specified above cannot be met, the activity shall comply with the following peak sound pressure level when measured at the notional boundary of any building housing a sensitive activity:
a. 7am to 7pm: 95 dB L_{Cpeak};
b. 7pm to 7am: 85 dB L_{Cpeak}.
2. Mobile noise sources:
i. Shall comply with the noise limits set out in Tables 2 and 3 of NZS6803:1999 Acoustics - Construction Noise, with reference to "construction noise" taken to refer to mobile noise sources.
3. Fixed (stationary) noise sources:
i. Shall comply with the noise limits set out below when measured at the notional boundary of any building housing a sensitive activity:
a. 7am to 7pm 55 dB L_{Aeq} (15 min)
b. 7pm to 10pm 50 dB L_{Aeq} (15 min)
c. 10pm to 7am 45 dB L_{Aeq} (15 min) and 75 dB $L_{AF\ max}$
Activity status where compliance not achieved:
Restricted Discretionary
</td></tr>
</table>

Chapter	Objectives / Policies	Rules / Standards / Matters of discretion or control
	d. The temporary or permanent nature of any adverse effects; e. The ability to internalise and/or avoid, remedy or mitigate adverse effects; f. The functional need or operational need of the activity; and g. Benefits from the work being undertaken and energy activities and infrastructure developed.	

Queenstown Lakes District Plan

Neither the Queenstown Lakes District (QLD) Operative nor Proposed Plan includes noise, notification or other standards for temporary military training activities, except as below.

QLD Operative Plan TMTA rules:

Volume One: Operative District Plan, Section 19 Relocated Buildings, Temporary Buildings and Temporary Activities, Relocated Buildings, Temporary Buildings and Temporary Activities – Rules
19.2.2.3 Activities
i. Permitted Activities
*Notwithstanding anything to the contrary in this Plan, the following shall be **Permitted Activities** in any zone provided that the activity complies with all of the site standards specified below*

b. Temporary Military Training

Temporary Buildings and Temporary Activities ancillary to temporary military training carried out pursuant to the Defence Act 1990, provided any such activity or building does not remain on the site for longer than the duration of the project or a period of 12 months, whichever is the lesser.

QLD Proposed Plan TMTA rules:

Proposed District Plan / Part Five: District-Wide Matters / 36. Noise
