RE: Hearing Stream 2: Energy - Infrastructure - Stormwater - Transport - Earthworks - Designations

1. We represent Alliance Group Limited ("**Alliance**") who lodged a submission (Submitter no. 190) in support of the definition of "land disturbance", objective EW-O1, policy EW-P1 and rule EW-R1 in the Earthworks chapter of the Proposed Waitaki District Plan.

2. Alliance notes that the definition of "land disturbance" and rule EW-R1 are the only relevant matters that have remained in the scope of the Plan Change and Hearings Stream 2 following Central Government's "Plan Stop" directions via the Resource Management (Consenting and Other System Changes) Amendment Act 2025. Notwithstanding, alliance requests that this Hearing Statement be tabled with the Hearings Panel.

3. Alliance will not file evidence or appear in respect of the recommendations on its submissions that remain in the scope of the Hearing Stream 2 matters.

4. Alliance has reviewed, and accepts, the recommendations of the section 42A report to retain the definition of "land disturbance" and rule EW-R1 as notified.

5. Alliance notes, and accepts, that objective EW-O1 and policy EW-P1 have been withdrawn from the Plan Change.

6. Thank you for your time and acknowledgement of the issues raised in Alliance's submissions. Please contact me if you wish to clarify any matters addressed herein.

Yours sincerely,
