## Q5

a Resident

Are you (optional - tick all that apply):

## Page 3: What are your thoughts on our proposed changes?

## Q6

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

Any other thoughts?:

Get the blemmin thing built, the business and extra revenue for the town this event centre will bring is huge. Not to mention, by having a good indoor sporting facility means more people will continue or start playing sport, which is so good for your general health and wellbeing

**Q7****Yes**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Q8****Yes**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Q11****No**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Q12**

Any thoughts on other topics or anything else to share?

I have lived in a normal 3 bedroom house in Oamaru for 13 years & paid in excess of \$27000 in rates. Enough is enough.

## Q6

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

Any other thoughts?:

I would have no problem with option b bar the fact it will increase the rates. As a solo parent the ever increasing rates are getting harder and harder to meet.

**Q7****Don't know**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Q8****Yes**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

No

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

No,

Any other thoughts?:  
would need to know what the 'events' would be and whether there are other local organisations that would be better suited to serving these needs.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

Don't know

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

Don't know

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

No,

Any other thoughts?:  
only for council owned assets if no other options are available, otherwise users must sadly carry the lose / change in investments / infrastructure with a vairable & changing enviornment

**Q12**

Any thoughts on other topics or anything else to share?

nope

## Q6

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

Any other thoughts?:

Concentrate on keeping the rates affordable instead of grand plans that will be good for a limited number of people.

**Q7****Don't know**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Q8****Yes,**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

Any other thoughts?:

Surely we already have plans in place?

**Q9****Don't know,**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

Any other thoughts?:

Do Maheno ratepayers want this?

**Q10****Don't know**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Q11****Don't know,**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

Any other thoughts?:

Have we not got one already?

**Q12**

Any thoughts on other topics or anything else to share?

The trees at King George park are overgrown, maybe spend the money on maintaining our existing assets? Bigs thumbs up to the people responsible for creating Observatory Village, a fantastic asset for the town.

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

Any other thoughts?:

Spending must be constrained as we cannot continue to pay rate increases that are funding "luxury" items such as this

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes,**

Any other thoughts?:

As a ratepayer I have no idea if what is going on. Despite being a ratepayer in Weston for forty years it was not until recently I learnt of a \$4,000,000 so called upgrade. Totally unnecessary as this is a Rural scheme and the nwer ratepayers need to understand this, once again we are presented with burden that is not justified

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

Age (optional)

## Q4

Ethnicity (optional)

European

## Q5

a Ratepayer,

Are you (optional - tick all that apply):

a Resident

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

Any other thoughts?:

Consider Value Engineering options with contractors to maximise value. With rising costs we may not be able afford what we would actually like or thought we needed in original scoping designs. Readjust the sights, set the budget and the value engineer to get the most possible.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

Got to keep everything rolling. It's penny pinching from one bucket to another. This will require reset down the line that will ultimately cost the ratepayers. Stick to what we can afford and don't stretch to what we can't afford.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes**

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Yes**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

Need to be practical here. Local materials to be used. Often reliant on consultants providing a solution but needs to be balanced to the local environment with local materials otherwise costs can be high.

**Q12**

Any thoughts on other topics or anything else to share?

**Q5**

a Ratepayer,

Are you (optional - tick all that apply):

a Resident

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

Any other thoughts?:

This is a facility that we URGENTLY need here in the Waitaki district. The longer we put this off the more it is going to cost us all as can be seen in the last 6-12 months.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes,**

Any other thoughts?:

I disagree with 3 waters as here we have upgraded our infrastructure's and it makes no sense in handing responsibility to big brother, who could use our money to fund other areas whose infrastructure is poor currently. Thus our infrastructure would suffer as money would not be as readily available.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes**

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes,**

Any other thoughts?:

I believe this is about time as I have seen some of the costs that have been used to keep water flowing in Maheno. Water from Oamart Reservoir already goes pass Maheno so it's a relatively simple process to connect to.

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Yes**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

This is urgent as our land is being consumed by the Ocean at an alarming rate. We need to act now otherwise our next few generations will pay a huge cost to keep Oamaru and coastal farmland out of the ocean.

## Q6

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

Any other thoughts?:

Have some serious discussion about how the council can tighten its belt and be sensible with the tightened amount of funds that you have. If you pooled the funds raised in a series of safe term deposits for the next 5-7 years you will have made up and overtaken the shortfall. As with all financial crisis, patience is required.

**Q7****No**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

For sure I think the Council should help to get this project over the line not for the sheer amount of families that this district has, but for the future families we need to continue to attract. Our school, playcentres and kindergartens are all bulging so this tells me that the Waitaki has plenty of families. Sports and clubs keep kids engaged, connected (and fit!) in the weekends and after school. How good this centre will be gets talked a lot about in our school and playcentre communities - we are really hoping our own kids (who have helped to fundraise for it) will get to use it. The council has so many great projects on the go but nothing addresses future families quite like this one. I support increasing the funds to the Events Centre, let's get this built!

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

I am 100% in favour of this Event Centre. Originally coming from Ashburton, I cannot express enough, what an asset it is to the town. There's a wonderful cafe, which is another asset itself. (And also potential income for the WDC- sub-leasing) Which would assist in repaying the loan

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

,  
Any other thoughts?:  
Costs are continually increasing for this and all building projects. What will be the total cost of the build by the time that the trust is ready to commence the process? Will the trust then ask for more funds? And what other currently council funded organisations will lose funding as a result of the increased requirements for the Sports complex? It is unknown what will happen with Three waters project and what further monies the council may be required to expend re our water supply in the next few years. Leave the loan at \$10,000,000.00 and let the sports clubs and users of the facility fund the increase,

**Q7**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Q7****Yes**

2. Unfunding depreciationDo you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Q8**

3. Preparing for emergenciesDo you support Council investing in tools to ensure community readiness in an event?

**Don't know,**

Any other thoughts?:  
Investing in what way?

**Q9**

4. Maheno waterDo you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes****Q10**

5. Significance and Engagement Policy 2023Do you support the updated list of Council's strategic assets?

**No****Q11**

6. Coastal erosionDo you support Council investing in a plan to address coastal erosion?

**No****Q12**

Any thoughts on other topics or anything else to share?

We need council rubbish and recycling collection in our rates. The jokes gone on long enough, it's the best thing for our district.

## Page 3: What are your thoughts on our proposed changes?

## Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

,  
Any other thoughts?:

Very hard to give a opinion when the final costs are not known. Hard to understand option B when costs have gone up 30% yet you want to increase funding 50% Option A till all costs ie fixed price tender is confirmed then go back to community for approval.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes,**

Any other thoughts?:  
Great idea to lower rates

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:  
Fund the volunteer groups SAR and Rural Fire which you do keep up the good work.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes,**

Any other thoughts?:  
Only if they want to and they are rated to cover their costs

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Don't know**

**Q12**

Any thoughts on other topics or anything else to share?

The old chestnut Rate rise I would like the rise to be at the rate of inflation 7.2% I know you are close but please try harder may be cut some money from the transformation budget.  
Thanks for taking the time to read my submission.

## Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

,  
Any other thoughts?:  
The statistics and history big builds like this go over build. While ideally it would be great to have the rolls royce model I believe the council ensures the centre is fit for service but cut the luxury options and ensure they have control of all worst case scenarios and the rate payers left with a white elephant.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**  
Any other thoughts?:  
Don't feel there sufficient information in DAP to comment

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Don't know,**  
Any other thoughts?:  
Again I can not find information regarding this. All the planning in the world for unknown event? You need to ensure each community has a register of essentials eg star links, diggers, generators e.tc. Encouraging households to have personal plans and basic supplies would best use of resources.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know,**  
Any other thoughts?:  
That would be a question for Maheno users

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know,**  
Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:  
AGAIN I have no pastt information and cannot comment

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Don't know,**  
Any other thoughts?:  
Only if it is a battle you can win. Future proofing may be a better view.

**Q12**

Any thoughts on other topics or anything else to share?

Core services!!!! ROADS ROADS. We have had culverts put in local roads in the last 6 years and now they are full of gravel and the water runs down the the road side that erodes as they have been continually sprayed. GET THE BASICS RIGHT. Tourism needs to be self funded by those in the tourist business. As do business's. We don't have a farmers group funded by the council.

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

, Any other thoughts?:

When the public was last asked about this, over 70% of people backed a \$14 million contribution from the Council. The Council chose to only put \$10 million towards it - undervaluing the voice of the community. We need this facility and I believe the Council should actually be donating MORE than \$15million as this shows the commitment to this happening - to both the community and potential funders.

## Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
Any other thoughts?:

NO

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:

Don't really know how all that 3 Waters work

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Don't know,**

Any other thoughts?:

Depends what you mean by tools

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

Any other thoughts?:

Will it be taken over by the 3 Waters if it is taken over by the Council?

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

Are there any other comments you wish to make for

Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:

Have no clue what the Council's strategic assets are

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Don't know,**

Any other thoughts?:

Depends where you are talking about. Round the harbour area - yes but some other places it would probably be fighting a losing battle.

**Q12**

Any thoughts on other topics or anything else to share?

In this time of financial uncertainty we need to cut spending to take pressure off all those who are struggling just to keep a roof over their heads. No unnecessary spending by council please

Are you (optional - tick all that apply):

**a Ratepayer,**  
**a Resident**

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
Any other thoughts?:

The time for the Event Centre isn't right, as tourist numbers have declined. Also the council already owes \$ 38000000. By the time the Event Centre would be finished, building costs would have risen, so the projected funds would not be enough. There are also enormous costs to run the Centre, even more so if the Centre is not fully booked all the time.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know**

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes**

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
 Any other thoughts?:  
 the council needs to be more transparent with sharing info with the public and stop secret workshops.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:

I do not support 3 waters. or Flouride in the water, just provide pills for those that want them.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**No,**

Any other thoughts?:

Do not trust their competency

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**No**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**No**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Don't know,**

Any other thoughts?:

It depends on the cost effectiveness of it and the usefulness of the work.

**Q12**

Any thoughts on other topics or anything else to share?

The money spent on consultants is ridiculous. The people who have the jobs should have the required skills or what are we paying them for.

**Q5**

Are you (optional - tick all that apply):

**a Ratepayer,****a Resident**

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

,  
Any other thoughts?:

I feel that each year, costs will go up and this question will arise again, year after year until the centre is completed. The increase in costs was inevitable. I think other sources of funding should be investigated.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

I think this should be funded because these are expensive renewal projects and we need to have enough money set aside to cover them. We can't rely on the government funding three waters because labour may not win the election.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

We have to be prepared. Climate change is not going to bypass Waitaki.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know,**

Any other thoughts?:

This is for Maheno residents to consider.

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

Are you (optional - tick all that apply):

## Page 3: What are your thoughts on our proposed changes?

## Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

, Any other thoughts?:

When this project was first presented the Mayor said Council would agree to put in \$10 million and no more. We agreed to this. Moving the goalposts so early is NOT OK. On top of this would be considerable ongoing operating costs which no one is mentioning.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:

At this stage nobody knows what will happen to this shambles. Best to wait for some clarity and certainty before throwing money down the hole.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

Emergency Services headquarters and hospital on high ground would have been a good start.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

Firs decide which specific areas can be protected and concentrate efforts there.

**Q12**

Any thoughts on other topics or anything else to share?

---

**Q10****Don't know**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

---

**Q11****Yes**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

---

**Q12**

Any thoughts on other topics or anything else to share?

Roading issues, epically the turning bay at 29 & 31 Beach Road, South hill, Oamaru. There is now numerous holes and when it rains it becomes one massive puddle and is very uneven. Considering a lot of vehicles use it as a turning bay, and trucks use it as a car park when doing work around the area, it is not safe to drive over. With all the traffic including large vehicles using it, the gravel is all cut up and this needs a permanent fix and not just a short term solution.

Are you (optional - tick all that apply):

## Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

Any other thoughts?:

Place it on the back burner whilst cost of living issues dictate household budgets. This is a nice-to-have project...not a necessity .

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

Any other thoughts?:

If unfunding means money is not being set aside to replace critical infrastructure, then how will it be paid for when it does require replacement? Presumably, 'unfunded' is a new 'courageous conversation' Council speak term .... no dictionary I have can define it much less even find it !

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

As long as at this point the Events/ sports Centre is not part of the readiness, the Recreation Centre already exists.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes**

**Q12**

Any thoughts on other topics or anything else to share?

Transparency is critical and sadly lacking

## Q6

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
Any other thoughts?:

Does not serve enough members of the community to deserve councils large contribution.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

This does not make the cost of maintenance go away.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes****Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**No,**

Any other thoughts?:

Council taking over the Herbert scheme resulted only in extra cost for the ratepayer, no increase in water quality from our point of view,

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Yes****Q11**

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

I believe it is important to provide as much support as is possible to ensure that the Waitaki Events Centre is built ASP as any delays could well mean a greater cost. Also, there is the potential to take advantage of the potential that merchants may have over purchased building material stock following the period of historical shortages. It may be possible to take advantage of this if we proceed in the near future. The Events Centre will provide an important venue in which to stage specialist local and International Events eg hosting a UNESCO Geopark conference (or a number of other conferences) participants in these events will add significantly to our local economy and be ambassadors to the great place the Waitaki is. The inflation rate that greatly influenced the cost of construction is likely to have begun to decrease by mid year and if construction is begun soon it may be at the sweet spot and be able to take advantage of reasonably stable plateau of building costs. It is important that we compete favourably with other small rural communities to bring new young families to our district who can be the springboard around which to add small and boutique business to our local economy. Looking forward to the opening of the Centre.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes,**

Any other thoughts?:

The uncertainty around future mechanisms that may be undertaken by Central Government and the financial requirements derived by these uncertainties makes it difficult to provide a rationale answer to this question. Clearly it makes good sense to unfund a portion of the depreciation of "the 3 Waters property assets" during this uncertain period the redistribute "contingency cash" to more productive areas of the councils budget makes sound sense.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

the Coastal road is especially a problem

---

**Q12**

Any thoughts on other topics or anything else to share?

I would ask that the Council Develop a small dog only park for the areas residents and their small dogs. There is no safe space for small dogs and their owners. Many small dogs are owned by elderly isolated residents who fly under the radar as they dont go out because it is unsafe for their dogs and for themselves to be in areas with large dogs. this activity would essentially be free socialisation and improve the mental health of the owners as well as the dogs . An asset such as this would aid in promoting better mental health, and reduced isolation of the older demographic of residents. It would add a community focal point at very low cost. These parks have proved a valuable community asset in areas where they have been developed. Many people ( out walking their small dogs) that we have spoken to are in support of the idea but do not get around to making submissions etc Thank you

**Option A: Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.**

,  
Any other thoughts?:

While I think an events centre is a valuable addition to the town and district, the costs associated with building it should be borne more by those who use it (such as those who attend events there, though ticket pricing, or those who hold events there through user fees) rather than by a general rates levy, though a nominal rates contribution to the project would be reasonable, given that a certain amount of benefit will be accrued by all residents through ancillary activity, generation of visitor revenue, invigoration of the local economy, etc.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:

I really have no great understanding of this issue, and prefer for those with more knowledge to chime in.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

I assume this is aimed at readiness in the event of a natural disaster or general emergency.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes**

**Q12**

Any thoughts on other topics or anything else to share?

Yes. It is essential to the survival and long-term viability of our tourism sector that the district have a viable information centre. The threat I have heard that the Council will cease funding the information centre after June 2023 is quite worrying, since it's often through the presence of a visitors' centre that people learn what there is to do in the area and potentially make a decision to spend longer here.

Q9

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

Yes,

Any other thoughts?:

Maheno Water Committee supports the transfer of Maheno Water Committee assets to Waitaki District Council to become a WDC drinking water scheme and the connection of our consumers to the Hamnak Line. As a community drinking water scheme we were the first reticulated drinking water scheme in Waitaki and have been self-sufficient in this regard for 84 years. But with Government changes in drinking water standards and assurance standards - the Maheno Community cannot afford just over a million dollars to connect to the Oamaru to Moeraki Line (Hamnak Line) which is the option that will future proof our community going forward for decades. Council knows that Maheno is a level 7 on the NZ Deprivation Index (SA1 Meshblock) for the consumers in the location we supply. But more importantly, all smaller townships like Duntroon and others will be similarly affected because we all have only small consumer bases that we can support water rates and this is not enough to support asset renewal. As Waitaki District Council ratepayers, and consumers the Committee members believe that Maheno consumers and other small communities and their people need equitable access to drinking water. And we believe also that Maheno should pay the same as any other community of ratepayers on the Oamaru to Moeraki - Hamnak Line. We support the use of rate-funding for the same reason. All of Waitaki should be sharing the cost of what we all pay for water. The cost of water for all other Waitaki ratepayers has not included the cost of supplying water to Maheno for decades and so decades of successive Waitaki ratepayers have had cheaper water rates that they might have had for over 80 years now. We don't believe it is natural justice for a small community, especially if that community is not affluent, to pay more than other ratepayers for the same rights to sustainable drinking water in the district. The Maheno consumers will probably experience a 100 per cent increase in costs for drinking water during the period of 2023 - 2024 once water rates are struck for the next year and we would not think it fair for WDC to come back to us after this 12 month period and perhaps require another increase if we have a change in government after the election. We realise that we have been lucky as a community to have had Brian Donnelly, who was employed by Council's own Oamaru supply (through Whitestone), to supervise our supply as a volunteer for over 30 of the 84 years Maheno Water Committee has supplied the community with drinking water. But we know he has to retire. As we have nobody to replace Brian, with his qualifications, we have to move ahead and become a Council owned drinking water scheme. We have explained that this is only one of the challenges that the Maheno supply faces. Trying to get

challenges that the Maheno supply faces. Trying to get consumers interested in taking over from long-serving volunteers is not easy - so there is no guaranteed succession plan. There are also increased financial penalties that place our officers at personal financial risk. We find this unacceptable because regardless of our individual levels of understanding - we are not 3 waters engineers. The risks posed by climate change could wipe us out and this is exacerbated by ORC granting a resource consent to Waka Kotahi to raise the highway at Clarkes Mill. This will drive more water toward our bore in a flood event. Although ORC had Tonkin and Taylor produce a hydrological report and it backs up the levels of water in the hydrological model supplied by the BECA report - they say it will prolong the flooding around the Maheno bore. The key thing is that they cannot say for how long the flood waters might linger around the bore in a flood event. Nobody expected the level of flooding experienced by the recent cyclone in Hawkes Bay - so how can they agree that we will see what we have always seen? This is not an exact science and often it is said that the effects of climate change are happening faster than they were predicted to happen. For this reason we support the transfer of Maheno to become a Waitaki District Council owned and operated drinking water scheme. We want to thank His Worship. Mayor Gary Kircher and Corriedale Councillors Guy Percival, John McCone and Barry Kingan also for their participation and assistance in our endeavor. We also want to thank and acknowledge the assets team, in particular, Michael Goldringham for his honest and ethical approach to our situation.

18 April 2023

**Waitaki District Council Annual Plan 2023-24**

Submission - Dust Nuisance District Road Oamaru

This submission is a continuance to the submission made to Council on 4 October 2021, the Annual Plan 2022 – 23, various emails and a meeting on site with 3 Councillors.

The purpose of this e-mail is to again bring before Council the need to ensure good planning at consenting time for subdivisions and to ensure that appropriate measures are put in place to eliminate or at least mitigate environmental effects that affect residences and to rectify the issue of dust caused by vehicles using District Road.

In my opinion Council was remis at the time of consenting for the subdivision on the corner of District Road and Weston Road for not requiring measures to be put in place to address the nuisance effects of dust from vehicles traveling on District Road.

To date, some 18 months after an initial approach to Council, no action or decision has been communicated as to how the Council intends to address this environmental nuisance, dust.

It is requested that Council provides in the 2023-24 Annual Plan sufficient funding to eliminate the dust nuisance caused by traffic using District Road and to develop a clear policy to address this matter.

Graham Clark

# 2023-24 Annual Plan Feedback form Puka whakahoki kōrero

We'd love to hear your thoughts on what we're planning and any other ideas you may have to help make Waitaki the best place to be!

- Email:** consult@waitaki.govt.nz  
**Post:** Annual Plan 2023-24, Waitaki District Council, Private Bag 50058, Ōamaru 9444  
**Deliver:** Drop it off at any Council office or district library

**Your contact details: (please print clearly)**

Full name: Bernard Wilkin  
Organisation (if applicable): Self  
Postal address: [Redacted]  
Email: [Redacted] Phone: [Redacted]

We're asking the following questions to understand more about who we are hearing from. Answers are completely optional.

Age (optional): ☐ Under 18 ☐ 18-24 ☐ 25 - 49 ☐ 50-64 ☒ 65+  
Ethnicity (optional): European  
Are you (optional): ☒ a Ratepayer and/or ☒ a Resident (tick all that apply)

**Do you wish to speak in support of your submission at the hearing?**

☐ Yes ☒ No *If you choose 'yes', we'll be in touch to arrange a time. Hearings can be in person or online via Zoom. Hearings will be live-streamed.*

**What are your thoughts on our proposed changes?**

**1. Waitaki Event Centre**

Would you support Council contributing extra funds for the project to continue?

- ☐ **Option A:** Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years  
☒ **Option B:** Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years  
☐ **Option C:** Discontinue the Event Centre project based on increasing costs.

Any other thoughts? Reluctantly I favour B - it will only get more costly the more it is delayed.

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

We are residents and rate payers in the community who plan on living locally for the foreseeable future (which could be upwards of the next 50 years). I feel it is important that the local council future proof our town for the generations to come as well as supporting the local businesses that are currently here. Having sport and events locally will both promote and enhance the community. It will support locals in their sporting pursuits, promoting good health and wellbeing, as well as becoming a destination for events.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes**

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

We pay huge amounts in Development Contributions when building, I would assume upgrades to the services would be an ongoing goal. The floods up north should be a great wake up call for all infrastructure needs.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:  
Very important for the school children of the Waitaki district. This is a HUGE need for our community. A facility like this isn't a privilege for our community - it is a necessary addition to enable our schools and our students to be able to access activities that other tamariki and rangitahi around the country already have, and one that children of the Waitaki need. Health issues with children and youth is a growing endemic and it's necessary for us to add something to our community that will help in the change of this trend. Your increase to \$15M will give the trust the ability to apply for additional funding- without it it won't be able to move ahead.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:  
I'm still very unsure whether having Three Waters is a good or bad thing-so unsure what unfunding a portion of it will mean long term . Some extra info with this question would have been helpful.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:  
But not too much more- many things are already in place.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes,**

Any other thoughts?:  
We need a reliable source of water here (especially the school) and the current trust no longer feel they can serve the Maheno Community correctly.

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know,**

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:  
Can't find this on your website anywhere-a link on here would have been the correct thing to provide us!

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:  
Hard concrete/rocks seem to be the only solution that's worked! Stick with this!!

**Q12**

Any thoughts on other topics or anything else to share?

Housing is still a massive issue for our town...will you help with this somehow?

Love the Historic Precinct as it is! It really helps sell our town as a destination to visit, both domestically and internationally. Pay Wendy at Rose's General store to help tourists etc with queries about our wonderful wee town if you take away the tourist outpost we have now. Save Whitestone City!-its a wonderful asset for our town!!

Building inspectors all seem to have individual and different ideas to each other- very stressful for homeowners when doing the right thing and having to engage with them.

Road works seem to go forever now a days- must be costing us as ratepayers a fortune! Why is this? Seems to be being eeked out for more \$\$\$\$?

Q6

Option C: Discontinue the Event Centre project based on increasing costs.

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

,  
Any other thoughts?:  
Rates/Funds for this Event Centre would need to show a profit. Other wise ratepayers would be viewed as a "milk cow"....

**Q7****No**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

---

**Q8****No,**

Any other thoughts?:

Investing in " tools ", you mean, money.

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

---

**Q9****Don't know**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

---

**Q10****No**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

---

**Q11****Yes,**

Any other thoughts?:

Have the office workers in the council seen the shore at the end of Thousand Acre Rd !!!

---

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

---

**Q12**

Any thoughts on other topics or anything else to share?

People, just like you lot, have spent \$2 million on killing 18 wallabies. People just like you should look at why you are never responsible for your actions.

# 2023-24 Annual Plan Feedback form Puka whakahoki kōrero

Scan for more  
info and online  
feedback form

**We'd love to hear your thoughts on what we're planning and any other ideas you may have to help make Waitaki the best place to be!**

**Email:** consult@waitaki.govt.nz

**Post:** Annual Plan 2023-24, Waitaki District Council, Private Bag 50058, Ōamaru 9444

**Deliver:** Drop it off at any Council office or district library

## Your contact details: (please print clearly)

Full name: Philip McNicholl

Organisation (if applicable): POSTER

Postal address: [REDACTED]

Email: [REDACTED] Phone: [REDACTED]

**We're asking the following questions to understand more about who we are hearing from. Answers are completely optional.**

Age (optional): ☐ Under 18 ☐ 18-24 ☐ 25 - 49 ☒ 50-64 ☐ 65+

Ethnicity (optional):

Are you (optional): ☒ a Ratepayer and/or ☒ a Resident (tick all that apply)

## Do you wish to speak in support of your submission at the hearing?

☒ Yes

☐ No

*If you choose 'yes', we'll be in touch to arrange a time. Hearings can be in person or online via Zoom. Hearings will be live-streamed.*

## What are your thoughts on our proposed changes?

### 1. Waitaki Event Centre

Would you support Council contributing extra funds for the project to continue?

☐ **Option A:** Proceed with Council's contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years

☒ **Option B:** Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years

☐ **Option C:** Discontinue the Event Centre project based on increasing costs.

Any other thoughts?

## 2. Unfunding depreciation

Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

☐

Yes

☐

No

☒

Don't know

Any other thoughts?

---

---

---

---

## 3. Preparing for emergencies

Do you support Council investing in tools to ensure community readiness in an event?

☒

Yes

☐

No

☐

Don't know

Any other thoughts?

---

---

---

---

## 4. Maheno water

Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

☐

Yes

☐

No

☒

Don't know

Any other thoughts?

---

---

---

---

## 5. Significance and Engagement Policy 2023

Do you support the updated list of Council's strategic assets?

☒

Yes

☐

No

☐

Don't know

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?

---

**Q12**

Any thoughts on other topics or anything else to share?

Council should divest entirely from tourism marketing and use that money toward the sports centre. Council wouldn't put money towards a dairy or meat industry marketing budget so it's not appropriate to fund any other individual industry with ratepayer funds. However, when cutting budgets council needs to inform those subject to cuts better - all can agree the visitor centre cuts were mishandled, even if we agree with the cuts.

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
Any other thoughts?:

Costs for this centre have increased faster than our districts ability to afford it has, and we can not afford that level of Event centre at this time. For anyone that says 'there will be no cheaper time to build it than now,' they're missing the point that it was manageably affordable for the district when the idea was first mooted. The district could come up with a way forward to find a way to afford it then, and now we no longer can. It's really that simple. It's become too expensive for the current situation that we find ourselves in. We are so stretched with everything else that's been taken on, including our huge 3 waters debt, of which the end payer of is still an uncertainty, why keep adding more debt at such an uncertain time as this? Park the plans, look at it again later. Take the politics out of it - if the time isn't financially right for the district then don't force it. The earlier you build it, the quicker it will become old technology. I was at Waitaki Girls high when the highly anticipated Rec centre was opened and touted as the best thing to happen. And look at how that's talked about now. A mere 30 odd years later and it's considered basically useless. No matter how much money you pour into a new centre, the same will happen because both the technology and human expectations are moving that fast. And finally, sometimes when things feel like they are getting too hard, just slowing down and waiting to make a decision can turn out to be the best decision ever made. Just maybe, this is one of those times.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Yes**

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:  
Within reason.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Don't know,**

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:

I'm quite excited to not have to read everything anymore - and I ran out of motivation to read! I have faith you'll all manage to come up with a good plan here!

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

I only support investment in physical coastal erosion measures, rather than investing in another expensive plan. I am certain there will be enough past plans lying around council for you to refer back to to make some basic decisions on where best to focus your attention.

a Ratepayer,  
a Resident

Are you (optional - tick all that apply):

Page 3: What are your thoughts on our proposed changes?

Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

Option B: Increase Council’s contribution from \$10 million to \$15 million, loan funded over 20 years.  
,  
Any other thoughts?:  
If it doesn't happen now it will never happen

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

No,

Any other thoughts?:

I think depreciation should be fully funded. It's how we at least keep up with replacing aging assets where no depreciation was collected prior to 2000. Our asset are up to 140 years old and we have only been collecting the money to replace them in the last 23 years! Got to catch up sometime and at a time of higher interest rates we can't afford big loans...

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

Don't know

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

Yes

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

Don't know

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

Yes,

Any other thoughts?:

In addressing I just hope it doesn't mean fixing. Managed retreat is possibly one of the few economically viable solutions

**Q12**

Any thoughts on other topics or anything else to share?

It seems to be that walking tracks are not being maintained appropriately and developed. The MTBNO club has made tracks in the Glen Eden/Warren reserve are heavily used by walkers and shows that investment in walking tracks should be increased. Have the walkers on walking tracks and MTB'ers on MTB tracks. It shouldn't be up to a volunteer MTB group to make access for walkers... The walking track network in Cape Wanbrow seems to be forgotten and not well managed to what is officially walking track and what isn't.

**Q13**

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

Just like the public library the Stadium is not there to be a money maker but indirectly a lot of money will come into the town with every fixture held. It always seems eye-wateringly expensive at the time but doesn't get cheaper and I think the council needs to ensure that this facility is built to a standard that considers the future growth of our district coupled with the added use bought about by building a facility that can attract a wide range uses. I would support a contribution of up to \$20,000,000 over 30 years for this facility that will serve future generations.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Respondent skipped this question**

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Respondent skipped this question**

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

Central government , regional govt. and local govt. need to commit to an annual amount to be put toward stabilising the worst of the problem areas . For every dollar that local govt was prepared to commit regional and central govt could offer a two for one subsidy given their ability to tax the wider population.

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

The proposed Waitaki Event Centre is a priority for the Waitaki Region and the WDC must do whatever it takes to make the new build happen. Sport and Recreation is critical for the well being of our community. The Event Centre will support and facilitate all sports and events. The economic benefits will be enormous. An extra commitment from Council of 5 million dollars plus is and will be needed.

**Q6**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

I think it is important for the waitaki district to realize the planned event centre The community raised a considerable amount of funds and it would be devastating if the project would not proceed On the other hand the people involved could look at scaling back some of the plans to make it more affordable

**Q7**

2. Unfunding depreciationDo you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

Any other thoughts?:

The council should oppose the three waters reforms,our infrastructure is in pretty good shape .

**Q8**

3. Preparing for emergenciesDo you support Council investing in tools to ensure community readiness in an event?

**Yes**

**Q9**

4. Maheno waterDo you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Don't know,**

Any other thoughts?:

Depends on the wishes of the maheno residents

**Q10**

5. Significance and Engagement Policy 2023Do you support the updated list of Council's strategic assets?

**Yes**

**Q11**

6. Coastal erosionDo you support Council investing in a plan to address coastal erosion?

**Yes**

**Q12**

Any thoughts on other topics or anything else to share?

Council should safe guard democratic and transparent decision making, the civil servants are employed by the citizens ratepayers and not the other way around,they should serve the community

On an other note ,I don't see the point of asking for people's ethnicity we are all citizens with the same needs,one person one vote

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

This project completion is very important for the future of Oamaru. It is necessary for the current inhabitants of the Oamaru town and wider district, if we are to progress and move forward to a brighter and more prosperous future we need to have the facilities to support this made available. These are needed to encourage new people and and their families into our district. This will result in on-going benefits to the whole community. With more vibrant business and an increased rating base for the whole area the future will be considerably enhanced now and into the future for all our people living in the Waitaki district. This something that I support very strongly. Stewart A Anderson

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Respondent skipped this question**

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

Option B: Increase Council’s contribution from \$10 million to \$15 million, loan funded over 20 years.  
,  
Any other thoughts?:  
Demolish the old grandstand and start afresh.

**Q7****Don't know**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

---

**Q8****Yes,**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

Any other thoughts?:

Neighbourhood Support is an active resource which is already linking people into groups to support each other and be prepared for an emergency. It makes sense for council to work with NS to build community capacity.

---

**Q9****Don't know**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

---

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:  
Council should continue funding the information centre.

---

**Q11****Yes**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

---

**Q12**

Any thoughts on other topics or anything else to share?

Fund the information centre.

Page 3: What are your thoughts on our proposed changes?

**Q6**

1. Waitaki Event Centre Would you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

The Event Centre will be an asset for a wide range of individuals and groups in the District. It will enable the hosting of sporting, cultural and other events that other communities already enjoy. It won't just be for people in the District. It will attract regional and national events too. This will benefit not just participants and audiences but wider businesses, in particular those involved in hospitality and tourism. The grandstand at Centennial Park is no longer fit for purpose and a replacement ought to be part of the Event Centre. Large projects like the Opera House upgrade and swimming pool attracted vociferous opposition. Past councils saw past that to invest in facilities that are District assets. The Event Centre will compliment these and add another asset to the District not just for the present but the future.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**Don't know,**

Any other thoughts?:

There's a lot of uncertainty around three waters owing to central government politics. The latest government plan still takes assets and control from councils and imposes an expensive bureaucracy on water users. Waitaki having to choose between the Southern or Northern region would leave it with no say at all on water in a large part of the District.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Respondent skipped this question**

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Respondent skipped this question**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Respondent skipped this question**

**Q11**

6. Coastal erosionDo you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

If nothing is done now large parts of coastal land will disappear. We've already lost part of Beach Road and Waitaki Boys' has been losing land for decades.

Dear Council,

This is the key part of my submission.

Please close Harbour St Oamaru to vehicles.

Please make Harbour St a pedestrian-only space. Please put up signs - sympathetic to the heritage character of the area - directing people to where else they can park.

This change would likely be brilliant for heritage, building maintenance, tourism and road safety. I wholeheartedly encourage you to make the change asap.

Kind regards,

Mark

Dear Elected Members and Council Staff,

I would be delighted if Council were to make good use of the talents and time of the people who work at Whitestone City and the Oamaru & Waitaki Visitor Information Centre. Regardless of the ultimate location(s) of any offering similar to that currently available at 12 Harbour St Oamaru, I believe that the experience these people could bring to the economic development of Tourism in the Waitaki would likely be of considerable benefit to us all.

Kind regards,

Mark

**Q6**

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:

The need for a multipurpose Event Centre has been well established over a number of years through community surveys and feasibility plans. If we wish the Waitaki District to thrive we need to find a way to deliver this Project. Its benefit is much wider than just a Sports facility. It reaches into the heart and soul of the community's wellbeing. We must continue to strive for a District that offers a range of services that enhance living here, both for existing and prospective new residents.

**Q7**

2. Unfunding depreciationDo you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

## Page 3: What are your thoughts on our proposed changes?

### Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

**Option C: Discontinue the Event Centre project based on increasing costs.**

,  
Any other thoughts?:

The Project costs for the Event Centre will escalate towards \$50 Million, once the final designs are drawn up. Material costs will escalate; contractor availability will decrease. Potentially a white elephant for the community

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

This matter has not been explained properly.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

But this should already be in place - or haven't we learnt anything from previous disasters in NZ and overseas?

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes**

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**Yes,**

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:

You have a Draft Policy, you have a list of strategic assets, you talk about engagement with affected parties, you include OWCT and private ownership properties in the "area of focus" why are you asking?

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes,**

Any other thoughts?:

Fix the three sites before we cause more contamination in the ocean. But \$15.6 Million over the next four years?

**Q12**

Any thoughts on other topics or anything else to share?

No to increased building heights.

No to Harbour Hill (forrester heights) development

No to expensive consultants

No to OBPC partnership

Yes to funding the Visitor Information Centre @ WSC

Yes to dissolution of Tourism Waitaki

**Q13**

**To:** Service <[service@waitaki.govt.nz](mailto:service@waitaki.govt.nz)>  
**Subject:** Visitors Centre

The decision to cut the funding to the visitors centre goes against the annual plan and should not happen. The apparent lack of communication with those who should have been informed is disappointing.

5. Significance and Engagement Policy 2023Do you support the updated list of Council's strategic assets?

---

**Q11****Don't know,**

6. Coastal erosionDo you support Council investing in a plan to address coastal erosion?

Any other thoughts?:

Depends on the area of coast and also depends on the methods to protect coast from erosion. Methods used so far some have slowed erosion, some have failed all together and some worked up until they eventually failed. Look overseas to see what works and what doesn't, listen to experts in this field, not uni grads with great big ideas.

**Option B: Increase Council's contribution from \$10 million to \$15 million, loan funded over 20 years.**

,  
Any other thoughts?:  
this must include demolition of the existing grandstand structure and rebuild incorporated into the events centre complex. the existing grandstand is outdated and no longer up to standard or fit for purpose, the opportunity should be taken to renew this as part of the over all endeavour, rather than kicking the can down the road and having to redo it later on at a likely increased cost.

,  
Any other thoughts?:

My partners family lives in Ashburton, a town that cannot be that much bigger than Oamaru... they have a great event centre, among other great facilities (including awesome tennis courts - hint,hint). If we want to keep people in Oamaru then these sort of community resources are a must. Just get it done please, before it gets more expensive!

**Q7**

2. Unfunding depreciationDo you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

rather complicated jargon to try to get my head around, but it does not make any sense to me to have some short term gain which will likely result in long term pain, if that is what you are talking about. Water is critical.

**Q8**

3. Preparing for emergenciesDo you support Council investing in tools to ensure community readiness in an event?

**Yes**

**Q9**

4. Maheno waterDo you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Q11**

6. Coastal erosionDo you support Council investing in a plan to address coastal erosion?

**Yes**

**Q12**

Any thoughts on other topics or anything else to share?

Interim speed management plan sounds like a good idea. I understand this is primarily about lowering speeds around schools. Its a no brainer as far as I am concerned... I have a 11 and 13 year old whom have biked or walked to various schools over last 6-8 years. Its mayhem around schools, even for kids who are dropped off in car near the school. Anything to make it safer, and this may encourage more biking / walking which can only be a good thing.

Are you (optional - tick all that apply):

Page 3: What are your thoughts on our proposed changes?

Q6

1. Waitaki Event CentreWould you support Council contributing extra funds for the project to continue?

Option A: Proceed with Council’s contribution of \$10 million as committed in the 2021-31 LTP, loan funded over 20 years.

,  
Any other thoughts?:  
Would prefer loan funding over shorter time period to avoid continuing debt.

**Q7**

2. Unfunding depreciation Do you support Council unfunding a portion of the depreciation for 3 Waters and Property assets for 2023-24?

**No,**

Any other thoughts?:

Not funding depreciation is very short sighted. It's like saving money by reducing insurance.

**Q8**

3. Preparing for emergencies Do you support Council investing in tools to ensure community readiness in an event?

**Yes,**

Any other thoughts?:

But not through extra loan. It should be part of current years rates.

**Q9**

4. Maheno water Do you support Council taking over the scheme, which will result in a new rate for Maheno users?

**Yes,**

Any other thoughts?:

But full cost of takeover should be met by Maheno community. This includes any upgrading costs, as Oamaru has paid in the past.

**Q10**

5. Significance and Engagement Policy 2023 Do you support the updated list of Council's strategic assets?

**No,**

Are there any other comments you wish to make for Council to consider prior to finalising the Significance and Engagement Policy and Guidelines?:

Unless mandatory government requirement

**Q11**

6. Coastal erosion Do you support Council investing in a plan to address coastal erosion?

**Yes**
