Notes

Please have this application with Council at least 5 working days before droving commences, to complete the process.

The Stock Droving Permit is to allow shifting of stock on public roads.

The purpose is NOT for general stock management operations e.g. drenching, herd testing etc.

A Temporary Traffic Management Plan is required during stock droving. A copy of this Plan will be sent to you along with this application form.

This application is for stock droving on **local roads only**. Please submit your application to NZTA for any stock droving within The State Highway Network (i.e. SH1, SH 83, SH85 and SH8)

Applicant Signature

I have read the Waitaki District Council Stock Droving related section from Waitaki District Roding Bylaw 2013, and I understand my responsibilities for droving stock on public roads.
