To draw water from OAMARU please turn over

## Applicant Details

Company	<input type="text"/>		
Name	<input type="text"/>	Postal Address	<input type="text"/>
Phone	<input type="text"/>		
Mobile	<input type="text"/>		
Email	<input type="text"/>	Post Code	<input type="text"/>

## Where are you proposing to draw water from?

Waihemo	<input type="checkbox"/>	Waitaki Valley	<input type="checkbox"/>	Other	<input type="text"/>
Water required from	<input type="text"/>	To	<input type="text"/>		
Volume of water required	<input type="text"/>			(min 10m <sup>3</sup> )	

## Conditions and Notes

1. Submitting an application does not imply approval of an application.
2. Any approval granted is subject to the terms and conditions of the Waitaki Water Bylaw 2014. It is the applicant's responsibility to read & understand the Bylaw which is available via our website at [www.waitaki.govt.nz](http://www.waitaki.govt.nz) or through the Customer Contact Team.
3. Water shall be drawn by the identified applicant only.
4. No connection shall be made to a fire hydrant unless backflow equipment for a medium risk level (which has been approved and tested by an Independent Qualified Person) is used.
5. Backflow prevention equipment is to be tested annually.
6. The maximum rate for opening or shutting hydrants is one revolution per 15 seconds. The applicant will be held responsible for the cost of any repairs or remedial works from damage caused by the incorrect operation of a fire hydrant. This includes complaints around water quality as a result of the applicant's activity.
7. Work shall be carried out in such a manner to minimise any risk of contaminating the water supply. In the event of backflow equipment failure the use of the fire hydrant will cease immediately.
8. The applicant shall also be responsible for any third party damage that occurs as a result of using the fire hydrant. The applicant is responsible for all appropriate safety measures for traffic.
9. Any damaged or leaking fire hydrant must be reported to the Waitaki District Council immediately.
10. No valve within the water reticulation shall be operated.
11. All staff using the fire hydrant shall be trained and aware of the risks to the water reticulation associated with operating the fire hydrant
12. A copy of application approval shall be held by the person drawing water from the hydrant, and shall be made available for inspection upon demand by a Council Officer or their nominated agent (SouthRoads Ltd.).

## Applicant Declaration

I, the undersigned, hereby declare that the information given on this application is true and correct. I accept the conditions of accessing water from Council Water Supply as outlined in this application.
