

# Make every drop count

## How to conserve water

- Please don't wash your cars and boats.
- Please don't refill your swimming pool.
- Please ensure all taps are turned off thoroughly to avoid any dripping.
- Please don't water your lawns and garden. If you need to water your vegetable garden, please do it with a hand-held hose.
- Please put a plug in the sink when washing your dishes and vegetables.
- Please run your washing machine and dishwasher when it is fully loaded.
- Please turn off the tap when brushing your teeth or shaving.
- All commercial users are requested to minimise usage.

### If you have any concerns

If you have concerns about water use in your area, please call us on 03 433 0300.
